Hi Lauren,

I know that the link you used to submit Lower Ley Creek 30% RD documents has expired. Could you please reshare the 30% RD documents with EPA, DEC, and the Onondaga Nation?

Thank you,
Victoria

Subject: LLC - Preliminary (30%) Remedial Design Report

Ms. Sacks,

On behalf of the Respondents to the Administrative Order on Consent for Remedial Design, please find attached the Preliminary (30%) Remedial Design Report for the Lower Ley Creek Subsite, with the exception of the following figures/drawings which are not included to reduce the file size for email:

- Appendix A – Preliminary Habitat Restoration Plan Figures
- Appendix B – Preliminary Design Drawings

The compiled document, including the pieces not attached to this email, is available through WeTransfer:

<https://we.tl/t-9tEJ7P0jat>. The files will be deleted from the transfer site in **one week**, so please download within that timeframe. A hard copy of the complete document will be mailed to your attention for distribution to the Onondaga Nation.

Please don't hesitate to reach out with questions or comments regarding the submittal or access to the WeTransfer site.

Thank you,
Lauren
